Key-Note Speaker—Elizabeth McCormick

About Elizabeth McCormick

With her military career as a decorated **US Army Black Hawk Pilot** (who flew air assault, top-secret intelligence missions, and transported high-level government VIP's), her exemplary business background including being a global contract negotiator, and her nationally recognized network marketing success, Elizabeth shattered the glass ceiling as an in-demand international Keynote Speaker, **Television Host** of a new network program in development, and Leadership Specialist #5 on the list of Leadership Experts to Follow (just behind Tony Robbins).

Her leadership and rise to success in the military paved the way for her professional achievements in corporate and entrepreneurial environments. Through her gifted art of analyzation and negotiation, expert mentoring abilities, mastery of management, and team-building skills, **she led several teams throughout her career to top achievements** that include millions of dollars in strategic cost-saving measures for national, international, and global entities.

During her military and corporate careers, Elizabeth was also excelling in the entrepreneurial world through Network Marketing. She grew her business and tribe into one of the **top performing teams in the USA** and was recognized as one of the TOP TEN recruiters in the nation. This became the genesis of her speaking career as she began to teach, train, mentor, lead, and speak at their national conventions, inspiring others to go after their dreams and *FLY- First Lead Yourself*.

Her authority on Leadership, Customer Experience, and Veterans Issues is highly sought after with the media. She is frequently seen on ABC, CBS, NBC, FOX, CW, in the *Wall Street Journal* and more. Her personal development book, *The P.I.L.O.T. Method; the Five Elemental Truths to Leading Yourself in Life*, is a "must read" along with her 15+ business tip books in the *Soar 2 Success* series.

Elizabeth's many military awards include the Meritorious Service Medal and Humanitarian Service Medal. In 2011 Elizabeth received the **US Congressional Veteran Commendation** for her service to her country and community as a disabled veteran.

Elizabeth speaks at 100+ engagements per year and is an in-demand **motivational business success speaker with a focus on Leadership, Safety, Sales, Team Building, Professional Development, and Personal Growth**, bringing a celebrity experience to events. **Elizabeth inspires audiences**, sharing her pioneering and insightful aviation lessons learned in a dramatically memorable and **action-oriented** keynote presentation. As a premier leadership trainer and top performing founding member of the John Maxwell Team of speakers, she is a **dynamic and energizing expert** sought after for events around the world.
